

REMINDER TO RECENTLY MARRIED or REMARRIED RETIREES

Beginning January 1, 2010, a retiree who marries or remarries and wishes to elect surviving spouse coverage, must contact the GM Benefits and Services Center directly within 18 months of such marriage or remarriage in order to elect such coverage. The applicable reduction in the retiree's benefit will commence effective with the one year anniversary of such marriage or remarriage, provided eligibility is met.

**** Retirees who married or remarried between the dates of October 1, 2003 through December 31, 2009 and added such spouse to health care or life insurance coverage with 12 months of such marriage or remarriage will be deemed to have automatically elected surviving spouse coverage, effective with the one year anniversary of such marriage or remarriage and the applicable reduction in the retiree's benefits will commence, provided eligibility is met. In no event shall such election be effective if the retiree previously rejected survivor coverage.***
